

George's Trust

Small Grant Applications

George's Trust has a limited amount of money to give in the form of small grants to support voluntary youth organisations and individuals in the Romsey and Winchester District of Hampshire, United Kingdom.

The grant money is given in order to support two of the three objectives of the Trust; to assist in the provision of choral scholarships, equipment and coaching for youth members of the Romsey Abbey Choir, and to provide and assist in the provision of equipment, facilities and services to youth organisations generally in the Romsey and Winchester District of Hampshire. We are willing to consider any proposals from individuals and groups, but the type of work we expect to be supporting includes help towards the following:

- running training courses to help groups of young people develop skills and community involvement;
- the cost of training for individuals;
- the purchase of equipment for organisations and individuals;
- the cost of setting up or running a youth group

Applications for grants will be considered at the end of May and at the end of October each year, although we are happy to talk about specific projects at any time of year. Other help may be available if you have missed the deadline for the small grants.

Grants are usually for £50 - £500, but smaller or larger amounts will be considered.

With your application please enclose any printed information that you have about your group or interests, but we may contact you for further information if necessary. We normally ask for a brief end of project report and this can be in the form of a letter. We reserve the right to publicise information about the winning grantees. This form is available in electronic format if required.

You are welcome to telephone us to discuss your application if you wish.

Please return your application form to:

Mrs Jane O'Brien, Chairperson, The George O'Brien Trust, Grayling House, Greenhill View, Romsey, Hampshire. SO51 8HE
